

YOUR GREAT ESCAPE IS CLOSE AT HAND!!! in an exquisite condo on Middle Bass Island

Imagine climbing into your airplane, and being able to transport your family or friends to your vacation home on a historic island — in about an hour!

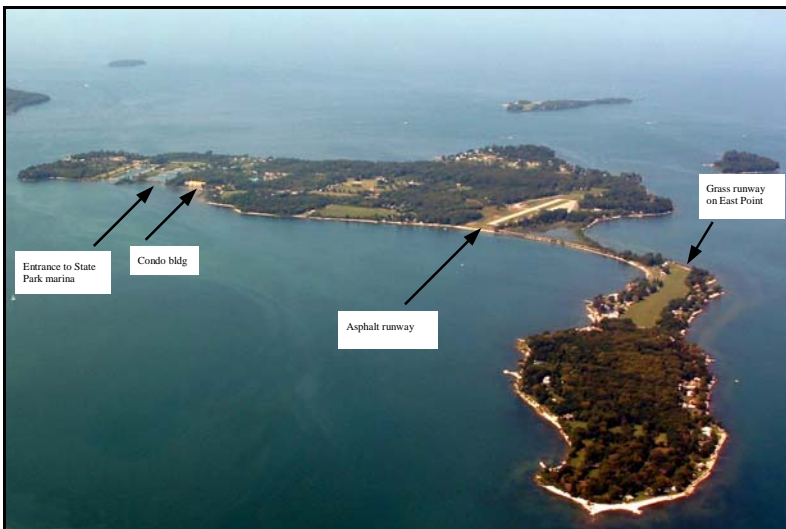

Consider calling Middle Bass Island your second home — this incredible condominium complex on the eastern shore of the island has it all—serenity, wildlife, views, and great waterfront living!

General Information:

- Built in 2004, this 2 BR, 2 BA condo is constructed to commercial standards, with fiber cement siding, metal roof, full sprinkler system and fire alarms throughout.
- Convenient elevator service
- Easy to get to using the Miller Ferry line from Port Clinton, OH – or by private airplane (the island has an 1852' asphalt runway)
- For those who travel by private boat, the state park marina next door is now under construction – new slips are planned for summer 2009!

Accessible by air and sea!

Approaching Middle Bass from the east

New 1852' asphalt runway, 2001—Seasonal tie-downs available

Aerial view of complex on eastern shore of Middle Bass Island; our unit is on the third floor for the best views on Middle Bass!
